

Church of Christ
Frontera Coahuila, Mexico

The goodness, mercy and love of God be with you.

Brothers and sisters, Frontera Coahuila church greets you and wishes you a Happy end of the year and a very Happy New Year, 2020. We wish that all your purposes, plans and goals be fulfilled with the help of God and our Lord Jesus Christ; those are our greatest wishes.

The church in Frontera keeps pursuing the goal, carrying the message of salvation and hope to the people (non Christian, or people that don't know about Jesus), instructing the new sisters and continually gathering in houses and gathering with men and women.

Thank you very much brothers and sisters for the economic help you give us with so much love. Thank you for praying for the church, my wife, for my family and me.

Thank God, and your prayers, my wife's voice is much better. She can talk very good and she can sing. Our hope is in God that at the next doctor's appointment she will be released and will not need surgery.

Brother Raul Guevara De Ocampo also wishes you a good end of the year and a Happy New Year 2020. He is also very thankful for the economic help you give him. Please pray for him because his knee is no good. It is giving him a hard time and he is in pain.

Thank you so much for your great love and we hope that you all can spend this new year with your families in joy and happiness.
